### Report on Alumni Talk

The department of Electronics and Communication Engineering in association with student association E-SPECTRA organized Alumni talk on “**Fundamental Rights and Digital Crimes**”. The event was organized jointly with SDEC Cell on **24<sup>th</sup> Aug 2019**

The Speaker was **Mr. Venkatesh Somareddy** B.E.,L.L.B., Alumnus, SKSVMACET, Lakshmeshwar.

Mr. Venkatesh completed his Bachelor of Engineering in Electronics and Communication Engineering from SKSVMACET, Lakshmeshwar. Later he joined for law studies and completed his Law graduation from JSS Law College, Mysuru with Gold Medal.

Mr. Venkatesh strongly believes in equality in the eyes of law irrespective of caste, gender, religion and socio-economic status. This belief led Mr. Venkatesh Somareddy to take up graduation in law.

Prof. Kiran Kotin Association Coordinator of E-SPECTRA welcomed the gathering on behalf of E-SPECTRA. Prof. Sunil Begumpur, welcomed Mr. Venkatesh Somareddy on behalf of ,E-SPECTRA, SDEC CELL and SKSVMACET Charitable Trust.

**Dr. Subhas Meti** addressed the audience and briefed the objectives of Alumni talk on “Fundamental Rights and Digital Crimes”.

Mr. Venkatesh Somareddy started his talk by introducing the constitution of India. The talk covered the contents of Constitution and the resource person shared the knowledge of constitution of India.

The talk mainly focused on **Fundamental Rights** of each and every one. In today's scenario in spite of good education, the people are acting blind when there is a violation of right. Some people are victimized because of lack of awareness about the fundamental rights and they are exploited because of not executing the fundamental rights. It should become everyone's duty to protect his right as well as of others.

The talk further covered topics on **Digital crimes and IT Acts** . Mr venkatesh Somareddy briefed about the sections in IT Act. He explained the sections of Digital crimes with real time scenario and personal experiences. He also briefed about some cases of crimes within the India and across the globe.

The talk covered various topics of crimes, to name a few are Cyber bullying, Debit card scam, Lottery Scam, Sick baby Scam. The talk covered the awareness for youth to not fall a prey for such scams as teenagers will be the main target in some scams.
