# **Department of Mechanical Engineering**

#### **Student's Achievements**

### 2020-21

1. University blues: Manjunath Patil, Shivaraj Patil, and Soubhagaya Pujar

# 2021-22

- 1. University blues: Shreedhar B and Abhishek Mokashi
- 2. Ramasing Hajeri was selected as the Yuva Ambassador of Deshpande Startups in Hubli.
- 3. Bhaskar Sutar has attended 8 Webinars, 7 STTP, 5 Workshops, and 3 Training programs
- 4. In the year academic year 2021-22, the project guided by Prof. S M Patil titled "DEFENCE SAFETY ARMOR EXOSKELETON SUIT" was the 8th-semester student project selected by KSCST and funded with an amount of Rs. 7000.
- 5. In the academic year 2021-22, the project guided by Prof. S M Patil titled "DEFENCE SAFETY ARMOR EXOSKELETON SUIT," undertaken by 8th-semester students, received a scholarship of Rs. 25,000 from the management.

### 2022-23

- In the academic year 2022-23, the project work guided by Dr. Devendra K. and C. M. Kaggalagoudar, titled "Experimental Investigation on Mechanical Behavior of Jute and E-Glass Fiber Reinforced Epoxy Composite Filled with Fly Ash as Filler Material," undertaken by 8th semester students, received Rs. 4000 from KSCST
- 2. In the academic year 2022-23, the project guided by Prof. Srikant Badi, titled "Folding Winglet Design of an Airplane," and undertaken by 8th semester students, received Rs. 8000 from KSCST
- 3. In the academic year 2022-23, the project work guided by Dr. Devendra K. and C. M. Kaggalagoudar, titled "Experimental Investigation on Mechanical Behavior of Jute and E-Glass Fiber Reinforced Epoxy Composite Filled with Fly Ash as Filler Material," undertaken by 8th semester students, was selected for a state-level seminar conducted by KSCST at Alvas Institute of Engineering and Technology, Moodbidri
- 4. In the academic year 2022-23, the project guided by Prof. Srikant Badi, titled "Folding Winglet Design of an Airplane," and undertaken by 8th semester students, received a scholarship of Rs. 25,000 from the management

Dr. Devendra K Professor and Head
