Report of one day workshop on “Design and Simulation of Electronics circuits using NI Multisim EDA Software”

Title:

One day workshop on **Design and Simulation of Electronics circuits using NI Multisim EDA Software”**

Date: 13-11-2021

Preamble:

A one day workshop was organized for Second year students in DSP Lab of Department of ECE, SKSVMACET Laxmeshwar in order to make the students understand the concepts of how to design electronics circuits.

Participant’s profile:

A total of 39 students of second year participated in the workshop.

Description about workshop:

To make the students understand the concepts of how to design electronics circuits, on behalf of E-spectra association and SDEC cell, Prof.Sunil Begumpur and Dr.Subhas Meti conducted a one day workshop on “Design of Electronics circuits using Multisim tool”. It was a hands-on session and students participated actively.

The workshop was assisted by non-teaching faculty Mr. Amarappa Pagi.

The entire program was co-ordinated with the support of Principal, HOD of ECE Department, faculties of ECE Department.
